STAT

Dear Stan and Pat:

Karen and I would be delighted to have you join us in the Secretary of the Navy's section at the Army-Navy Football Game on Saturday, December 1, to be held at John F. Kennedy Stadium in Philadelphia, and to be with us on board the special train to and from that affair. We expect to leave Washington Union Station about 11:00 a.m., and to return about 10:30 p.m. A second letter will be forthcoming with additional details should you be able to join us. To assist in our planning, would you please let us know by telephone whether or not you think you may be able to join in the fun; our telephone number is 695-5050. —

Unfortunately, due to restrictions regarding the use of official funds for events of this nature, each individual is required to bear the costs of his football ticket, transportation, food, and refreshments. Your total cost for all this will be \$40.00 per person. This amount does not include tickets as you already have received complimentary tickets from the Naval Academy.

We hope you can join us!

Sincerely,
